

Information for our Katikati College Whānau wanting to make Learning Queries - 2021

We strongly encourage our whānau, parents and caregivers to work in partnership with our kura to support the learning of our rangatahi. Your tamaiti/ moko/child's learning, achievement and success is important to us, we have high expectations for them and believe they can achieve personal excellence.

Learning queries are welcome at anytime, you can phone or email to make an appointment or query about your tamaiti/moko. See over the page for important email contacts.

Your learning query may be related to:

- Your tamaiti/ moko's Engagement Report.
- Your tamaiti/ moko's relationship with their kaiako.
- The amount of homework your tamaiti/ moko is receiving.
- You may be wanting to understand an assessment better so you can help your tamaiti/ moko.
- You may be wanting regular reports from the kaiako and kura to support your tamaiti/ moko.
- You may just want to know your tamaiti/ moko's kaiako better.

When you would like to make a query about your tamaiti/moko's learning, the best place to start is with the subject teacher/kaiako. Issues or problems with learning relationships, your tamaiti's or moko's learning or assessments and homework are best addressed closest to the classroom.

Our Poumatua, Joe Manukau, can be present at any meetings to support the tamariki, whānau and Kaiako. If you would like our Poumatua present, please request this when you speak to the kaiako/ teacher or Dean.

If your learning query is not addressed satisfactorily by the kaiako/ teacher then either contact your tamaiti/ moko's Year Level Dean for pastoral queries or the Head of Faculty for academic queries and work with them to resolve any issues that exist.

When issues are not able to be addressed and resolved by the Year Level Dean, it will be passed on to the Deputy Principal or Senior Leader who is responsible for that year level. If for any reason your child prefers to speak to a male or female member of staff then please clearly articulate this to our Deans and they will make an alternative arrangement.

Who to contact

Year 7	Year 8	Year 9	Year 10	Year 11	Year 12	Year 13
Homeroom Teacher		Subject Teacher/ Kaiako				
Subject Teacher/ Kaiako		Form Teacher / Whānau Pumanaua Kaiako Tuakana
